

NESEBAR HOTEL**

Nessebar - MoD Hotel and Bungalows** are located in the town of the same name - one of the most preferred tourist destinations during the summer season. The town is known with its unique blend of ancient culture and rich historical heritage.

Nessebar is famous for some of the most beautiful beaches on the Bulgarian Black Sea coast. The average temperature in July is 24.5 C.

Those who would take the time to visit some of the sights nearby may view:

- The Archaeological Museum;
- The Museum of Cinema;
- The Aviation Monument;
- The South Park;
- St. Anastasia Island.

About Nessebar-MoD Hotel and Bungalows**

The property offers to the guests a three-storey hotel body and enclosures featuring 25 apartments and 73 double rooms, as well as 8 two-bedroom villas and 10 bungalows. The apartments and the villas are suitable for accommodating large families. All rooms are air-conditioned, have private bathrooms and are equipped with mini bar/fridge and cable TV.

In-room amenities:

- Mini bar / fridge;
- Cable TV;
- Air conditioning;

Hotel and bungalows amenities:

- Outdoor swimming pools - 25 meters in length and children's;
- Casual-dining restaurant with a capacity of 250 seats;
- Hawaii pool bar with 20 seats;
- Sport field;
- Playground;
- Children's playground for children up to 5 years;
- Maxi chess;
- Outdoor fitness;
- Table tennis;
- Safe boxes at reception;
- Wi-Fi in the area around the reception;
- Free secure parking (limited spaces).

The hotel offers perfect opportunities for active rest and summer relaxation. The large swimming pool is 25 meters in length and is suitable for lovers of swimming. It is also considered for children with a smaller pool next to the big one.

Volleyball fans can practice on the field at the base and then play a chess game - maxi chess is on a nearby playground.

At the Hawaii bar, guests can enjoy a refreshing drink, a cup of coffee or tea.

The hotel's operating period is only during the summer season.
